Class of 2013 Secondary Science Transcript Analysis Form

AUSL's residency program offers the opportunity for qualified non-certified candidates to earn an initial Illinois Secondary teaching certificate (Type 09), which is valid for teaching from grades six through twelve. The Science field requires 32 semester hours (including 12 SH upper level).

The below coursework reflect state requirements to get certified in the state of Illinois. *There are 2 ways to obtain Secondary Science certification – choose only one.* Referencing your transcripts, fill it out to the best of your ability and return to AUSL. National Louis University will provide a formal coursework evaluation prior to entrance into the program.
