AUSL’s residency program offers the opportunity for qualified candidates to earn both an initial Illinois Elementary Teaching Certificate (Type 03) and a supplemental endorsement in Physical Education. Residents choosing this option are placed with a PE mentor teacher for part of the year. However, in order to be eligible for this path, your transcript must meet the full academic general education requirements, and in addition, you must have 18 semester hours of course work in PE. Your training in PE will be in addition to your core content area training, but both can be accomplished in parallel during your residency training year.

Class of 2011 Transcript Analysis Worksheet - Notes

Thank you for your interest in the AUSL Urban Teacher Residency Program! Our program will prepare you to be eligible to obtain your Illinois professional teaching certificate Type 03 - Elementary, which is valid for teaching children from Kindergarten through grade nine. Mail all requested materials to us by the supplemental documents deadline for your chosen review cycle.

- 1) To complete the worksheet, obtain a copy of your transcripts from all of your college or university course work, including any post-graduate work.
- 2) "SH" stands for "Semester Hours." For most colleges and universities on a semester calendar, 1 Semester Hour = 1 credit, so a typical 3 credit, one semester course is worth 3 Semester Hours.
- 3) If your college or university was on the quarter system, use the following formula to convert quarter hour credits to semester hour credits:
 - 5 quarter hours = 3 1/3 semester hours
 - 4 quarter hours = 2 2/3 semester hours
 - 3 quarter hours = 2 semester hours
 - 2 quarter hours = 1 1/3 semester hours.
- 4) A grade of "C" or higher is required to receive credit for a course. Courses in which you received a grade of C minus or lower are not considered as evidence of meeting requirements, and therefore should not be included on this form.
- 5) You are required to have at least 18 SH of course work in the Content Area you choose, selected from the list below. Typically this will be your college or university major. Eligible disciplines:
 - American Government
 - Anthropology
 - Arts
 - Biological Science
 - Business
 - Communications
 - Cultural Geography
 - Dance
 - Economics
 - English
 - Foreign Language
 - History
 - Linguistics
 - Literature
 - Mathematics
 - Music
 - Philosophy
 - Physical Science
 - Political Science
 - Psychology
 - Social Work
 - Sociology
 - Theater Arts
- 6) If you are missing coursework, National-Louis University will permit AUSL residents to fulfill certain requirements through online or other class work, which you can arrange to complete before the program begins in June 2010.
- 7) If any of your transcripts and credits are from educational institutions outside the United States, you must have your transcript evaluated by a special external provider. Credits from overseas study sponsored by your U.S.-based institution, which appear on your U.S.-based transcript, are not subject to this special review. You are responsible for having your foreign credentials evaluated. A listing of state-approved evaluators can be found at www.isbe.net/certification/html/foreign_credential.htm. Educational Credential Evaluators and World Education Services are the organizations most used.
- 8) If you received Advanced Placement credits from pre-college work, you may only use these semester hours towards the requirements on the worksheet if you received college credit for them and it appears on your college or university transcript.
