Transcript Review for Secondary Social Science Endorsement with a Major

Use this worksheet **ONLY if you majored in one of the social science fields below**. A total of 32 SH are required, which are a combination of course work in your major and course work that covers other social science disciplines outside your chosen major. Select the content area of your major (including 9 SH or more upper level courses).

Major: ___Economics ___Geography ___History ___Political Science ___Psychology ___Sociology/Anthropology

List other social science course work and your grades outside your major, including at least one course in each of the following areas:

- Economics _____
- Geography _____
- Political Science _____
- Psychology _____
- Sociology/Anthropology _____
- U. S. History _____
- World History _____
- Course with non-Western focus _____

Important testing note: You must take the Secondary content area test in the field that corresponds with your college or university major. For example, if you majored in Economics, you must pass the **Economics** test to receive certification - even if it is your intention to teach History.

Class of 2011 Secondary Transcript Analysis Notes

Thank you for your interest in the AUSL Urban Teacher Residency Program! Our program will prepare you to be eligible to obtain your Illinois professional teaching certificate Type 09 - Secondary, which is valid for teaching children from grades six through twelve. Mail all requested materials to us by the Supplemental documents deadline for your chosen review cycle.

- 1) To complete the worksheet, obtain a copy of your transcripts from all of your college or university course work, including any post-graduate work.
- 2) "SH" stands for "Semester Hours." For most colleges and universities on a semester calendar, 1 Semester Hour = 1 credit, so a typical 3 credit, one semester course is worth 3 Semester Hours.
- 3) If your college or university was on the quarter system, use the following formula to convert quarter hour credits to semester hour credits:
 - 5 quarter hours = 3 1/3 semester hours
 - 4 quarter hours = 2 2/3 semester hours
 - 3 quarter hours = 2 semester hours
 - 2 quarter hours = 1 1/3 semester hours.
- 4) A grade of "C" or higher is required to receive credit for a course. Courses in which you received a grade of "C-" or lower are not considered as evidence of meeting requirements, and therefore should not be included on this form.
- 5) Some content area worksheets specify that a portion of the SH requirement must be from "upper level" work. This means courses that are typically for junior/senior college-level students.
- 6) If you are missing coursework, National-Louis University will permit AUSL Secondary residents to fulfill certain requirements through online or other class work, which you can arrange to complete before the program begins in June 2010.
- 7) If any of your transcripts and credits are from educational institutions outside the United States, you must have your transcript evaluated by a special external provider. Credits from overseas study sponsored by your U.S.-based institution, and which appear on your U.S.-based transcript, are not subject to this special review. You are responsible for having your foreign credentials evaluated. A listing of state-approved evaluators can be found at www.isbe.net/certification/html/foreign_credential.htm. Educational Credential Evaluators and World Education Services are the organizations most used.
- 8) If you received Advanced Placement credits from pre-college work, you may only use these semester hours towards the requirements on the worksheet if you received college credit for them and it appears on your college or university transcript.
